Your confidentiality preference:

It is up to you if you want to share the nature of our relationship. Because we may run in similar circles, it is important for me to know if you would like to keep it confidential that you are a client of mine or if you are ok with me referencing you as a client. If you prefer that I not reference you as a client, if I ever see you outside of sessions or your name is mentioned in my presence, I would refer to you as an “acquaintance.”

- Please do not share with anyone that I am your client.
 I am ok with you referencing me as a client.

Regardless of your answer here, I will always keep the content of our discussions confidential. You are always free to share whatever you like of our discussions.

My Commitments to You:

- Seeing your genius and full potential.
- Providing a safe, nonjudgemental environment for you to flourish.
- Keeping the contents of our communications confidential.
- Providing the services, as are needed for you, described in the program description which is attached as a rider to this agreement.

Your commitments to the Program, You and Me:

I WILL PRIORITIZE ME.

This means you will keep sacred the time you schedule for your sessions. And, you will also prioritize time to reflect on our work, time to rest, time to play, and any additional self care we deem necessary.

I WILL PRACTICE MINDFULNESS DAILY.

This means you will do a daily mindfulness practice for a minimum of 5 minutes to start your day. This can include meditation, prayer, chanting, drumming, journaling, expressing gratitude, breath-work, tai chi, dance, or yoga.

I WILL HOLD A POSITIVE MINDSET.

This means you will keep a positive mindset in the following areas:

- (1) *I will keep focused on my own path.* In other words, learn to not diminish your experience or make yourself small in comparison to others or based on what others think.
- (2) *I will trust inspired actions, even if they take me out of my comfort zone.* Inspired actions come to support the unfolding of your genius and your dreams. So when your intuition signals you to take inspired action, you promise to trust it and follow through with it. Action will seal the deal for your transformation and living a different and better life.
- (3) *I am in this for the long term.* Know that failures will happen as you move out of your comfort zone. This is a sign of living bigger. It's ok to feel disappointed by failures, but don't see failures as a reason to stop. See them as a chance to get clearer of your path.

I WILL USE THE TOOLS I LEARN.

This means, as you learn new tools, you agree to keep them handy and apply them. When you find yourself inside a challenge, that is the most important time to lean into the tools or reach out to me to ask for a new tool. Basically, you agree to not stay stuck in suffering.

And here are a few additional agreements on how we will work together:

Getting started:

To begin our engagement, you will:

- (1) schedule your 3 hour retreat & jam session with me,
- (2) provide a copy of this signed contract to me,
- (3) make your first or full payment to me at least 5 days before our first session, and
- (4) fill out your preliminary questionnaire and return to me 48 hours before our first session.

Rescheduling:

If you need to reschedule a session, you must do so at least 48 hours prior to the session or you will be required to pay for the session and lose the time because I have held this time for you. I will likewise give you at least 48 hour notice of changes or rescheduling prior to any session.

Communication outside of program sessions:

For the agreed fees you are paying me pursuant to this contract, I am available for brief email and text support between sessions that are connected to the purpose of our agreement for no additional charge. If you desire additional sessions or phone calls during this engagement, or if you would like me to review or edit materials outside of our session time, additional fees at my usual hourly rates will apply. I will not charge you for any additional work without advance discussion and agreement in writing.

Travel fees & expenses:

I am available to travel for client engagements. If you would like me to travel by car or airplane for our meetings or other work together, my rate is \$50 per hour for time spent traveling. My travel time and all expenses for airfare, gas, tolls, and hotel accommodations will be billed to

you. And such fees and expenses would be agreed in writing in advance with you and billed separately from this contract.

Resolving Issues Between Us:

If one of us feels discomfort, disappointment, or frustration inside our relationship or senses our relationship is out of balance (one is over-giving or not receiving as expected), we each individually agree to be responsible for our experiences. We agree to not withhold communications or hold resentments but to instead create a kind, safe, and non-judgmental conversation to heal and address such issues.

Conflict of Interest:

It is common for clients to refer friends and family members to me, or ask me to speak at their companies or at events they are involved in. In any situation where I would also work with someone you have a close relationship with, I will discuss with you any possible conflicts of interest and hold the intention to keep your best interests in mind.

Your Payments:

In the event you are unable to pay my fees as agreed or you otherwise default on this agreement, I will suspend my services. If we mutually decide for any reason to terminate our agreement before it is complete, I will keep the fees that have been earned to date and refund your money for any sessions not yet held within 30 days of our agreed termination of agreement.

My Intellectual Property:

It is totally fine & fun if you quote me or share my work. But it is key that you provide credit for my intellectual property. So, you agree not to reproduce or sell any portion of this program or materials I provide to you and claim them as your own.

Limitation of My Liability:

To the maximum extent permitted by law, you agree to limit my liability for any and all of your legal claims, losses, costs, damages of any nature to the sum of \$1,000 or my fee, whichever is greater. This limitation shall apply regardless of the cause of action or legal theory pled or asserted.

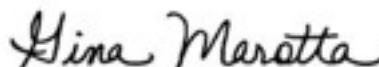

Entirety of Agreement:

This agreement constitutes our entire agreement relating to the subject matter of this contract. In other words, this written agreement supersedes all prior communications, contracts, or agreements between us, whether oral or written.

With commitment to our respective genius, we say yes to this adventure.

GENIUS INTEGRATION

align your current work with your whole self & higher calling

You're not new here! You've nailed success. Discovered who you are. Know what it's like to operate in your genius zone. And, you've reached the point of wisdom. So now, it's time to take all of who you are and integrate it into the work you do. To let the world see what you have to offer given your talents, experience, passion, and vision for a better future.

This is an exciting time! It's the expansion into the 5.0 version of your genius and professional life. Everything you've ever done has brought you to this moment. And, as someone who has been through expansion of your genius before, you know that challenges are part of the territory, like:

- uncertainty of direction
- worry about making the right choices
- disappointment when others judge your choices
- struggle to break old negative belief systems & behavior patterns, and
- fear of failure or not being worthy.

You certainly can ride this roller coaster on your own. But wouldn't it be way more fun & easy to have a wise and playful guide – like your own personal Yoda or Fairy Godmother – riding along next to you? Here is my offer to support your journey to integration as your very own genius guru!

HOW THIS PROGRAM WORKS

We begin with a 3 hour retreat & jam session to create a road map for your integration journey, which includes:

- your goals (the what and why of your vision)
- your compass (a key question, word, or mantra to serve as a focal point)
- your blocks (what we see standing most in your way)
- your tools (techniques to support you in moving through your blocks)
- your priorities (where you sense to focus your time and attention), and
- magical wisdom (an oracle reading to guide the flow of your journey).

Next, we meet regularly over the course of our engagement at a pace that feels right for your needs, schedule, and budget. There are 4 options:

We meet twice a month (5 more sessions for 90 mins each). ****Most popular****

- Your 1st session of each month is to set priorities for the month.
- Your 2nd session of each month includes troubleshooting & visioning around your priorities.
- Price: \$2400 or 3 monthly payments of \$800

We meet twice a month (5 more sessions for 1 hour each). ****Most recommended for virtual clients****

- Your 1st session of each month is to set priorities for the month.
- Your 2nd session of each month includes troubleshooting & visioning around your priorities.
- Price: \$1950 or 3 monthly payments of \$650

We meet once a month (2 more sessions for 90 mins each). ****Most economical****

– Your monthly session includes setting priorities for the month or you set them yourself before our meeting and we spend our time troubleshooting & visioning around your priorities, you choose.

– Price: \$1650 or 3 monthly payments of \$550

We meet once a week (11 more sessions for 1 hour each). ****Most intensive****

– Your additional sessions involve further visioning around your work, troubleshooting issues, and keeping you accountable & inspired.

- Bring out your inner genius to call forth your best ideas
- Identify blocks to your genius & goals
- Show you the spiritual growth context for challenges you face
- Teach you spiritual wisdom, techniques, and practices
- Provide connections to my network of geniuses and other resources

Here's what this program will help you create and experience:

- Clarity around your higher purpose & calling and how to integrate that into your work
- Meaningful connections with others of like-mind that can help forward your mission
- Financial rewards and other awesome results from understanding the value of your genius
- Flow, fun, and magic in the regular course of your workday
- Peace even during challenge, perceived mistakes & when things don't go as planned, and
- Confidence to take leaps of faith because you trust yourself.

PROGRAM LENGTH

Pricing here is based on 3 months of coaching through one season or one quarter. If you're wondering whether we can extend your engagement for 6 months or a year, the answer is YES! And, you can calculate your preferred 6 month or 1 year plan options by doubling or quadrupling the price. You also receive a 5% discount for a 6 month plan and a 10% discount for a 1 year plan.

Curious why these are packaged as 3 months? That is because one season or one quarter is an ideal amount of time to see results. And with each new season or quarter, we'd take another extended a 3 hour retreat & jam session to check in on your progress and refine your vision.
